SPECIAL CATALOGUE

CHOICE AND RARE

Plants
Trees and
Shrubs

Bulbs
AND
Seeds

for 1900

OFFERED BY

F. A. MILLER

Office and Sales Yard, : : 215 HAYES STREET

SAN FRANCISCO

CAL.

Introductory.

In presenting this Catalogue we hope to give general satisfaction to our old and new customers. Everything we offer is well worth cultivating, and we have omitted many things in plants and seeds which are not worth growing. Our small plants are well rooted and hardened up, as we grow them without artificial heat, and our large plants are all grown in pots, which makes the transplanting safe, as the roots will not be disturbed. Dormant plants, such as Roses and Deciduous shrubs, we send out without soil during the winter season, and we guarantee their safe arrival. . . .

Small Plants and Retail Packages of Seeds we send by mail at our expense; Large Plants, Bulky Seeds and Bulbs we send by mail, if possible, or by express or freight at purchasers expense. . . .

Our Flower Seeds are of the highest grade and will give entire satisfaction.

This Catalogue has no pictures, which are calculated to mislead. All catalogue illustrations are exaggerations, and if any one selects Plants or Seeds according to pictures, disappointment is sure to follow. Besides we presume that our customers are intelligent enough to know what they want without submitting a picture. . . .

Anything in the Gardening line not listed in this Catalogue, we will endeavor to supply at lowest market rates. . . .

✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻
Remittances can be made by check, Post Office Money Orders, payable at Station B, San Francisco, Express Money Order, or Registered Letter.

✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻
We fully expect to send out everything true to name, but if any mistake should occur, we shall always be ready to rectify the same. . . .
✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻

NOVELTIES IN PLANTS.

Begonia Vernon, Scarlet.

Of a dwarf, bushy habit, flowers very bright scarlet, beautiful for the house, as well as for bedding in summer. 15 cents, 25 cents and 50 cents each, according to size.

Begonia Pictaviense.

The grandest of all winter flowering Begonias, foliage large and beautiful, truss of rose colored flowers immense and lasting for months. 25 to 50 cents.

Begonia Monsieur de Lesseps.

Large, showy leaves, immense trusses of cream-colored flowers, splendid for winter flowering. 15 to 25 cents.

Browallia Speciosa Major.

Rich, deep blue flowers, in great profusion, fine for cutting, easily grown; fine pot plant. Small plants ready March 1st. 15 cents each.; large plants, 25 cents.

Carex Variegata.

An exceedingly pretty, grass-like plant, of easy culture, graceful habit, and finely variegated; good plants. 15 cents.

Edelweiss.

A most interesting Alpine plant, from the Swiss Mountains, familiar to all who have visited the Alps. It thrives well here and has bloomed with us for months. Very hardy. 25 cents.

Chrysanthemum Maximum.

A very hardy plant, which was admired a great deal last summer. The flowers are white, similar to a Marguerite, but of immense size, produced in great profusion on long, stiff stems. 15 cents each.

Forget-me-not.

New, on account of its almost constant blooming qualities, growing to the height of fifteen to eighteen inches. We have them in blue and pink. Very hardy. 15 cents each, by mail.

Geranium, Mad. Hoste.

Of all the new Geraniums this is the most striking combination of colors—rich crimson lake at the edge, shading to rosy carmine towards the center, with large white blotches in the center. Stock limited. 25 cents each, small plants.

The "Living Rock,"

from Mexico; a rare and marvelous plant; will live and bloom for years without water, and will not suffer from extreme heat or extreme cold. Its variegated flowers are very attractive and interesting. 25 to 50 cents, according to size.

Mamillaria Echinus.

A wonderful, new cactus; flowers yellow, and large enough to cover the entire plant. 25 to 50 cents, according to size.

Tropaeolum "Phoebe."

A new perennial ivy-leaved nasturtium; a most attractive sweet-scented species; golden yellow, with crimson feathered blotches; vigorous grower and constant bloomer; small plants. By mail, 15 cents.

Jasmine, Grand Duke.

New on this Coast; producing double white flowers, very deliciously fragrant, in great profusion. 25 cents each.

Jasmine, Maid of Orleans.

Large double white flowers, blooming profusely all summer in a warm position. 25 cents.

Thunbergia Harrisii.

An elegant climber, with large, sky-blue flowers. Very beautiful. 25 cents.

Thunbergia, fragrans.

The same as above, with pure white flowers. 25 cents.

Geranium, Carnot.

The very finest of all double Geraniums; compact dwarf growth; a fine pot plant. Ground color white; large center of bright red. Very beautiful. 20 cents.

New Fuchsia, "Bruant."

An immense double flower of the richest violet-blue, heavily striped bright rose; a most robust grower and free bloomer; a very decided new combination of colors. 25 cents each.

Geranium, Doctor Nansen.

The best single pure white ever offered. Fine habit; constant bloomer. 15 cents each, young plants, by mail.

Amaryllis Vittata Hybrida.

Burbank's stock in various colors of crimson striped white, and white striped crimson. Worth everywhere, \$1.00 each. We will furnish strong bulbs at 35 cents each, free by mail.

HOUSE PLANTS.

Azalea Indica. The finest winter flowering plant, in many colors, single and double; will also thrive in the open air, but will only stand light frost. Imported plants, full of buds. \$1.00 to \$1.50 each.

Abutilon. Flowering Maple, in red, pink, yellow and white; flowering all the year round. Small plants, 15 cents; large plants, 25 cents.

Achyranthus. Bright red foliage, and showy for pots or baskets. 10 cents each.

Anthericum. Variegated, broad, grass-like foliage, green and white; one of the best hardy house plants. 15, 25 and 50 cents, according to size.

Aspidistra. The most hardy and prolific of all the house plants; dark green with white stripes or entirely green. Small plants, 25 cents; large plants, \$1.00 to \$3.00 each.

Asparagus.

These are most popular house plants, are easily cultivated, and give general satisfaction.

Asparagus tenuissimus. Developing foliage constantly. Small plants, 15 cents; large ones, 25 to 50 cents.

Asparagus plumosus. Lace-like foliage; very graceful. Small plants, 25 cents; large plants, 50 cents.

Asparagus plumosus nanus. Of a more bushy habit; very scarce. 50 cents each.

Asparagus Sprengeri. New; constant grower; withstands cold as well as hot weather. Nice small plants, 25 cents; large plants, 50 cents.

Begonia.

These are divided into three sections: **Winter flowering**, **Summer flowering** and **Foliage** or **Rex** Begonias. Of the Winter or ever-blooming kinds we offer the following: *Rubra*, *Vernon*, *Marguerite*, *Metallica*, *Scandens*, *Argentea*, *Guttata*, *Sanguinea*, *Picta-rosea*, *Maculata* and *Gigantea rosea*, 15 cents each, small plants; 25 to 50 cents, large plants.

The **Summer flowering** or **Tuberous-rooted Begonias** bloom during the entire summer season. They produce flowers in profusion, 2 to 3 inches in diameter; in colors we have white, scarlet, pink and yellow, both single and double; they are the admiration of everybody. Flowering bulbs in a dormant condition can be supplied January until April. Single flowering bulbs, 15 cents each; double flowering bulbs, 25 cents each—free by mail.

Foliage or **Rex Begonias** we can supply in 6 best varieties at 25 cents each.

Cactus. These we have in many varieties: *Night-blooming Cereus*, *Phyllocactus* in various shades, *Epiphyllums*, *Mamillarias*; also, *Aloes*, *Harworthias*, etc. Small plants, 15 cents; large plants, 25 to 50 cents.

Cineraria. All colors. Small plants can be supplied from October to March at 10 cents each, \$1.00 per dozen; large plants, 25 cents.

Cyclamen. Nice plants for winter flowering. 25 cents each.

Coleus. Brilliant foliage plants; ready, in nice well-colored plants, in April and throughout summer. 10 cents each, \$1.00 per dozen.

Camellia. The queen of flowers. Blooming plants, \$1.00 each; small plants, 25c.

Cyperus or Umbrella Plant. All sizes. From 15 cents to \$1.00, according to size.

Ferns. Of these we cultivate 25 of the best varieties. From 25 cents up.

Ficus or Rubber Plant. Large, fine plants, Australian rubber, 50 cents and up. South American Rubber, the true *Ficus elastica*, \$1.00 to \$2.00 each. 2 to 4 feet high.

Gardenia or Cape Jasmine. Most fragrant and beautiful double white flowers during summer. 25 to 50 cents each.

Hoya Carnosa, Wax Plant. Fragrant flowers. 15 to 25 cents each.

Hibiscus. Elegant flowering plants of brilliant colors. 15 to 25 cents each.

Heliotrope. Of various shades. Small plants, 15 cents; large plants, 25 cts. each.

Imantophyllum. Amaryllis-like plants with beautiful orange-colored flowers, blooming in spring and fall. Small plants, 25 cents; large plants, 50 cents.

Jasminum Grandiflorum. White, star-shaped flowers, deliciously fragrant. 15 to 25 cents each.

Primula chinensis. Chinese Primrose. For winter flowering, it stands at the head. They will flower, with ordinary treatment, for nine months in the year. Various shades from white to pink and red. Small plants, 15 cents; large plants, 25 cents.

Primula obconica. Japanese Primrose. Has given more satisfaction to our customers than any other house plant. It will bloom 365 days in the year, and is of very easy growth. Color, white to lavender. 15 to 25 cents each.

Resurrection plant. *Semper viva.* These are imported as dry balls, and when set in water will expand and transform into lovely rosette of beautiful velvet green, fern-like moss, and will live and grow for years. Both Odd and marvelous. 25 cents each by mail.

Smilax. Small plants or roots, 10 cents by mail.

Selaginella Emiliana. Beautiful fern-like moss; easily grown in shady position, either warm or cool. 25 cents each.

Palms.

Of these we have a full collection, all grown in a cold house without artificial heat. The most popular kinds are:

Kentia Belmoreana. Finest house Palm. 50 cents to \$3.00.

Chamaerops excelsa. Hardy. 50 cents to \$2.00.

Latania Borbonica. Fan Palm. 50 cents to \$3.00.

Pandanus utilis. Screw Palm; for the house. 50 cents to \$1.00.

Phoenix canariensis. Hardy and graceful. 50 cents to \$3.00.

Phoenix reclinata. Date Palm. 50 cents to \$3.00.

Corypha australis. 50 cents to \$1.00.

Cocos plumosa. Royal Palm; tall and graceful. \$1.00.

Cocos Wedelliana. Very graceful. \$1.00.

Cycas revoluta. Sago Palm. \$1.00 to \$5.00.

Dracæna australis (Cordyline). Broad leaf. 50 cents to \$1.00.

Dracæna indivisa. Hardy; very ornamental for the house or garden.

Strong 1-year-old plants, 15 cents by mail; large plants, 50 cents to \$1.00.

FLOWERING PLANTS.

While most of these are hardy for the garden, some of them are also successfully grown in the house.

Carnations.—Monthly Pinks.

(NEW STRAIN.)

The wonderful improvements during the last few years in Carnations have made them the most popular flower of the present day, and they will be so in the future. The very large double flowers, their exquisite fragrance, and their constant-blooming quality make them the most prominent and most desirable plants. The following varieties can be depended upon as first-class in every respect.

- America. Bright scarlet.
- Ed. Schwerin. Deep pink.
- Flora Hill. Best white.
- John Hinkle. Dark crimson.
- John Carbone. Rich golden yellow, flaked carmine.
- General Gomez. Dark red.
- Grace Runyon. White, striped red.
- Iris Miller. Salmon, shaded yellow, striped rose.
- Melba. Exquisite rose.
- Progress. White, red stripes.
- Triumph. Dark pink.
- Scott. The most popular rosy pink.

15 cents each; \$1.50 for the set of 12, by mail. Ready March 1st.

Sievers' Collection of Carnations.

LATEST NOVELTIES.

- Helen Dean. Best light pink.
- Dr. Tevis. Fine scarlet.
- Leslie Paul. Deep rose.
- Elsie Ferguson. Deep orange, flaked vermillion.
- Harriet Bradford. White, edged scarlet.
- Nita Beringer. White, penciled light pink.
- Sophie Sievers. Golden yellow.
- Iris Paul. White, rose shading.
- Mary Bates. Deep lavender, almost blue.
- Dr. Parker. Deep purple garnet.
- Miss Angela. Clear deep pink.
- Frank Havens. Vermillion red, flaked crimson.
- Orestes Pierce. White, dotted red.

- Paula Wolff. White, striped deep rose.
 H. Kunz. Dazzling scarlet.
 Capt. Gray. Sulphur yellow.
 Mrs. Childs. Very dark pink.
 H. Jonas. White, striped carmine red.
 J. M. Howland. Intense scarlet, flaked dark maroon.
 S. W. Heller. Dark pink, shaded magenta.
 F. S. Clark. Orange red; new color.
 Mrs. Bennett. White, striped and flaked lavender.
 Clara Evers. Color of American Beauty Rose.
 Ida Beringer. Deep carmine.

25 cents each; \$2.50 per dozen. The set of 24 for \$5.00 by mail. Ready March 1st.

Chrysanthemums. These are not as much called for now as in former years. To grow them well, young plants should be planted every year, and the soil should be made very rich. They also require strong stimulants to develop large flowers. Young plants of all the leading colors and the latest varieties can be supplied at 10 cents each; \$1.00 per dozen, by mail.

Ericas. Neat and graceful evergreen shrubs, growing to the height of 2 feet, more or less, and flowering during our winter season. Strong flowering plants, 35 to 50 cents each.

Daphne. Most fragrant of all flowering shrubs. Large imported plants, 75 cents each.

Coreopsis lanceolata. Hardy. Beautiful golden yellow flowers on long stems. Young plants, 15 cents each.

Gaillardia grandiflora. Very hardy. Large yellow and crimson flowers. Constant bloomer. Young plants, 15 cents.

Fuchsias.

Universal favorites. Their graceful flowers, produced almost constantly, please everybody.

Esmeralda. Double, lavender-shaded pink.

E. G. Hill. Finest double pure white.

Black Prince. Single; large, spreading corolla; carmine; very free bloomer, and compact, bushy habit;

Jupiter. Double; violet blue; very free bloomer.

Wave of Life. Golden foliage; fine, purple corolla.

Phenomenal. Largest double; dark blue.

Storm King. Very large double rose and white corolla; dwarf, bushy habit.

Arabella, improved. Beautiful large single; rose and white.

Monsieur Thiebaut. Very bold flower; red and vermillion; single; free bloomer.

Rainbow. Elegant variegated foliage; bronze, yellow and red; flowers bright-red.

Perle von Brunn. Fine double white, penciled pink; very free.

Carl Halt. Brightest single; brilliant scarlet and white.

Small plants, by mail, 10 cents; large plants, 25 cents.

Geraniums.

These have been improved very much in new colors and more compact growth, and as they grow and bloom so readily under almost any conditions, they certainly deserve to be cultivated more extensively. Our new acquisitions are of most exquisite shades, both single and double. We will mail small plants at ten cents; large plants, 25 cents.

Rose Geranium. Small plants, 10 cents; large plants, 25 cents.

“ “ Scarlet; very bright. 15 cents.

Variegated Rose Geranium. Very pretty. 15 cents; large, 25 cents.

Ivy Geranium. All very double. Light pink; scarlet; crimson pink; dark purple pink; white and dark rose. Small plants, 10 cents; large, 25 cents.

Lavender. Sweet-scented. 10 cents and 25 cents.

Hydrangea (*Hortensia*). Pink snowball. A very popular flowering plant; very hardy and showy. Small plants, 15 cents; large plants, 25 to 50 cents.

Marguerites. Large yellow; large white and small blue; constant bloomers. Small plants, 10 cents; large, 25 cents.

Primula Auricula. An old favorite with the Germans and English. They flower well in Spring and Fall. Their large, fragrant flowers, in exquisite velvety colors of many shades, make them very desirable. They are perfectly hardy. Small plants, 10 cents, by mail; large, blooming plants, 25 cents.

Primula Polyanthus (*Garden Primrose, or Cowslip*). We have the latest English varieties in all colors. 5 cents each.

Pimelia decussata. One of the finest and rarest flowering shrubs in cultivation. Excellent habit, of compact growth, covered with clusters of bright pink flowers, make the plant a beautiful sight. Medium size. Plants in pots, by express or freight only, 25 cents each; large plants, 50 cents to \$1.00.

Pansy. Best German and French large flowering. 25 cents per dozen by freight or express; 35 cents per dozen by mail.

Pelargoniums.

(LADY WASHINGTON GERANIUM.)

So many new varieties in this line of Fancy Lady Washington Geraniums has increased the demand for them wonderfully. The exquisite coloring, the large, undulate and fringed petals, their free flowering and easy culture, certainly make them most desirable. The following varieties are the best in the market;

Empress of Russia. Light lavender, white center, dark maroon blotches.

Ruth. Light pink, shaded violet, blotched rosy carmine.

Anita. Charming flowers; bright pink, feathered velvety crimson, white center.

Mrs. O. W. Childs. Flowers extra large; exquisite shade of rosy pink.

Inocente. Pure white, beautifully frimbriated.

Alexander Craw. A bold, almost double flower, marbled rose on white ground, crimson-maroon blotches.

Mrs. L. P. Hart. Silky pure white, feathered with carmine.

John H. Sievers. Brilliant shade of salmon scarlet, blotched dark crimson.

Radiant. Brilliant crimson, blotched black.

Prince of Wales. Velvety scarlet, marbled white, blotched maroon.

Edward Perkins. Bright orange scarlet, maroon blotch on upper petals, beautifully fringed and undulated.

Empress of India. A magnificent variety, producing splendid trusses of very large flowers of a brilliant shade of salmon scarlet, the two upper petals blotched with dark crimson; light center.

Gloire de Tours. Flowers of the largest size and of great substance; color bright dark scarlet, upper petals blotched velvety black; center a distinct shade of violet. A magnificent variety.

Mabel. Upper petals brilliant dark maroon; under petals soft rosy pink; large white center.

Madame Thiebaut. The queen of Pelargoniums. Blotched and marbled rose on white ground; upper petals marked with crimson maroon; large white center and edges of petals also white.

Mrs. Hollingsworth. Deep rose ground, feathered with red on upper petals; fine trusses of large, deeply-fringed and crisped flowers.

Emperor of Russia. Extra large flowers; dark maroon, surrounded with crimson purple, margined with bluish-white. A most effective variety.

Blue Mabel. Identical with the well-known Mabel, except in color, which is of a rich plum shade.

Miss E. G. Britton. Extra large flowers, beautifully fringed and undulated; of great substance; delicate salmon pink; upper petals handsomely feathered with velvety carmine.

Beauty of Oxtou. The upper petals very rich maroon, darkly blotched; under petals very dark crimson, light centers; all the petals margined with white.

Bush Hill Beauty. Flowers of large size, of a mottled rose shade much deeper than the parent, Mad. Thiebaut.

Duke of Albany. Deep, rich, crimson maroon, margined with rosy lake; light center, surrounded with violet rose shading. A grand, dark variety, having a very full appearance.

Duchess of Teck. Very large trusses of extra large, semi-double, white flowers; petals undulated and frilled. A grand white variety.

Dorothy. Soft shade of carmine rose, white center, surrounded with lilac shade; all the petals margined white and elegantly frilled; upper petals blotched maroon.

Small plants, 15 cents; large flowering plants, 25 to 35 cents.

Double Petunia.

We can furnish six most distinct varieties of double-fringed Petunias at 15 cents each; large flowering plants, 25 cents each.

Roses.

We have a fine, clean stock of two-year old roses, ready to bloom in spring, and true to name. In making out our list we only enumerate those which will give general satisfaction, and omit all varieties which are inferior. Catalogues are full of new roses with glowing descriptions, but our experience plainly demonstrates that only one out of ten is worth growing. Strong two-year old plants can only be sent by express or freight at purchaser's expense. The price for these roses is 25 cents each, \$2.50 per dozen and \$18.00 per hundred.

Tea (or Ever-Blooming) Roses.

- Baron de St. Triviers. Pink, light center, constant bloomer.
- Beauty inconstante. Copper red, shaded bronze.

The above can be sent abroad, by mail, with perfect safety, from Nov. 1st to March 1st.

GRAND NOVELTIES IN SEEDS.

ACACIA MOLISSIMA FLORIBUNDA.

A new and improved variety of the fragrant yellow Acacia so popular as cut flowers in the San Francisco market. Flowers freely when quite young. Pkt., 10 cents; per ounce, 50 cents.

AQUILEGIA COERULEA HYBRIDA.

From the Rocky Mountain columbine; of a beautiful light blue; flowers very large, of dwarf growth; very hardy. Pkt., 10 cents.

CENTAUREA IMPERIALIS, Mixed Colors.

New large flowering hybrids of the sweet-scented Centaureas. Form large, many-branched bushes of 3 to 4 feet in height, and produce an abundance of bloom from July until the frost kills them. The beautiful large flowers vary in all shades of white, lilac, rosy and purple. Undoubtedly one of the finest introductions of this season. Pkt., 25 cents.

CHRYSANTHEMUM CARINATUM CHAMÆLEON.

Large-flowered new variety of this showy annual, so valuable for its yield of cut flowers. The ground color of the flowers or ray florets is a light coppery-bronze with a bright purplish-crimson zone during the first few days, the blackish purple disk being surrounded by a golden yellow circle; a few days later the coppery-bronze changes into a clear isabel. These four distinct colors on one flower, combined with the different colored flowers on one plant, produce a beautiful contrast. Exceedingly effective and of great value for cutting purposes. Pkt., 25 cents.

GAILLARDIA GRANDIFLORA COMPACTA.

New compact growing varieties of the hardy perennial Gaillardias, forming round bushes of about 12 to 15 inches in height and bearing its long-stemmed blossoms perfectly upright. The colorings of the flowers are exactly as rich and varied as those of the tall growing varieties. As the plants produce their flowers most profusely and in constant succession from June to the autumn, this novelty, with its improved habit, will prove to be one of the most desirable of all hardy perennials grown for cut flowers. Pkt., 25 cents.

CLIMBING NASTURTIUM "VESUVIUS."

This is by far the most brilliant of all the Nasturtiums. The flowers are of very large size, perfectly round, the petals overlapping each other, while the color is the most dazzling fiery rose imaginable. We recommend this novelty. Pkt., 15 cents.

PERENNIAL SWEET PEA.

Extra large pure white; comes up from the root every year, and blooms all summer. Extra fine for cutting. Package, 10 cents.

FLOWER SEEDS.

In this line we offer only what is good for general cultivation. Some seeds we grow ourselves, others we import from the most reliable houses of Europe. We keep no trash, and the seeds can be relied on. All seeds in retail packages we send by mail at our expense.

Vegetable Seeds.

For the accommodation of our customers, we will supply all kinds of Vegetable Seeds, as put up by the Cox Seed Company of this city, at 5 cents per package, free by mail, excepting Beans, Peas and Corn, 10 cents per package.

Best Fertilizer.

Genuine Pulverized Sheep Manure.

The richest and best for all purposes. Can be mixed up dry with the soil at the rate of four pounds to one wheelbarrow of soil, or can be dissolved in water at the rate of one teacupful to one gallon of water, to be applied to growing plants once a week. We know of nothing better For Grassplots and Lawns use about three pounds to ten feet square, and water immediately after. For roses and other plants, remove a little of the top soil around each plant, apply a teacupful of the manure, cover up and water. Price, 5 cents per pound; 6 pounds for 25 cents; per 100 pounds, \$3.00.

Flower Pots.

We can furnish as follows:

Size.	Per Dozen.	Per 100.	Size.	Per Dozen.	Per 100.

4-inch.....	45	2 50	8-inch	1 35	10 00
5-inch.....	60	3 50			

CANARY GUANO.

A Fertilizer for all kinds of Plants, Vegetables and Grass Lawns.

We have given this fertilizer a fair trial, with very satisfactory results. It can be used in liquid form on growing plants, or in a dry state by mixing it with the soil. It is perfectly clean, and contains all the nutriment required in the cultivation of plants.

For growing plants in pots, dissolve three teaspoonfulls in one gallon of water, and apply it to the soil two or three times a month, but keep it off the foliage.

For plants growing in the open ground, four teaspoonfulls may be dissolved in a gallon of water, and applied once a week.

For Lawns, use about two pounds of the dry powder to ten square yards, two or three times during the growing season, or once every two months. In order to scatter it evenly, mix the Guano with fine, dry sand about four times the quantity of Guano, and water after applying it.

The price of this Guano is 15 cents, net, per pound, or 25 cents for 2 pounds; 10 pounds for \$1.00; 100 pounds for \$9.00.

REMEDY AGAINST INSECTS.

The Green Fly, Scale and other insect pests are very detrimental to plants. In our experience we find the "**Sulphur Tobacco Soap**" very effective. A solution of this soap at the rate of two ounces to one gallon of water will kill green fly and Mealy Bug outright, and will kill mildew and other fungus growth, without doing the least harm to the most tender growth. The proper method to apply the solution is by a syringe, or, when only a few plants need the application, the rubber sprinkler answers the purpose. The proper time to apply the solution is morning and evening.

Price of **Sulphur Tobacco Soap**, 50 cents per pound By mail, 10 cents per pound extra.

Price of heavy **Garden Syringes**, \$1.50 to \$2.00, each, by freight or express.

Price of **Patent Rubber Sprinkler**, \$1.00 each. By mail, 15 cents additional.

IMPORTED GARDEN TROWELS.

Heavy Special Steel Trowel, - - - - - 50 cents each.
